Weed Management

**Chemical Control**
Contact ARIA Plant Protection Department for Plant Pest Chemical Recommendations

**Alternative Cultural Controls**
Irrigate and allow weeds to germinate and plow under 30-40 days before sowing wheat
Control weeds by hand pulling or Mechanical Cultivation

**Contact Person:** Gheyasuddin Ghanizada
Head of Plant Protection Department, (ARIA)
Phone #: 0780480657

Do not allow weeds to mature and produce seed. Use dense cover crops or specialty crops following wheat harvest.
